

Why XTRAX?

A New Level of Customer Service

- **Outstanding capabilities and flexibility to meet the needs of your customers...** *The right information at your fingertips, no more guesswork...*
- **When coupled with WEBView, real-time item availability, event review and item requests over the Internet...** *A new way of doing business...*
- **A discernable difference over your competitors...** *Greater customer satisfaction, increased customer retention...*

New Revenue Opportunities

- **Attract new customers who demand technology-based solutions...**
- **Track the need for and timing of refurbishment...** *Increased refurbishment revenues...*

Greater Efficiency

- **Ease the administration of rental programs with real-time availability...** *Fewer last minute surprises...*
- **Determine availability shortfalls before it's too late...** *Be absolutely sure each and every order can be fulfilled...*
- **Streamline the inbound inspection process with easy-to-use bar code scanner, immediately record loss and damage...** *Advise customer or carrier before it's too late, no more absorbing the loss...*
- **Know that you've sent all the right items, avoid expensive last minute charges...** *No more last minute hassles, reduced air freight...*
- **Automatically produce accurate Bills of Lading, packing lists, and shipping reports including International shipping documents...** *No more typing, no more weighing...*
- **Know what's shipping when, optimize freight and labor...** *Less overtime, higher profits...*
- **Know what's in each crate and its location in the warehouse...** *No more lost graphics, no more lost crates...*
